RUG COLLECTION

Inspired by Scion's most popular designs, this stylish and imaginative collection of hand-tufted and screen printed rugs has been created to complement Scion's playful fabrics and wallpapers. Combining bold contemporary colour with powerful graphic motifs, these refreshingly original rugs are bursting with joy and personality.

For our Autumn/Winter 2020 collection, we have developed an exciting new rug quality. The new technique, developed for Scion, involves screen printing Scion's fun, cheerful designs onto a 100% pure wool quality, hand-loom produced rug. Our new rugs are hard wearing for busy households whilst encapsulating the Scion ethos of brightening up any space. The hand-loomed rugs are also purse friendly, perfect for those who want Scion's beautifully interpreted new designs and iconic style on a budget.
